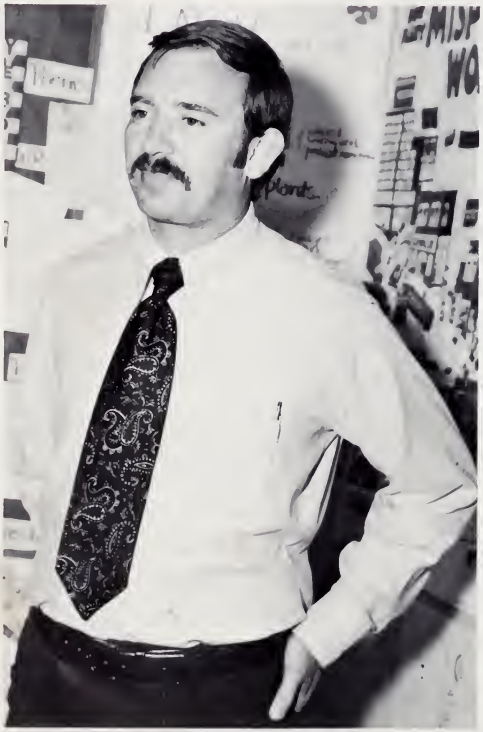
THE 1976 SPIRIT SALUTES



MR. STUART WALLS

This year our nation celebrates the 200th anniversary of the American Revolution. During this year particular attention has been placed on our past that has shaped our present and provides for a productive future. Here at Lindbergh, students have been exposed to the rich heritage of their country through the valiant efforts of Mr. Stuart Walls, American History teacher.

Mr. Walls earned his BS in history at Southeast Missouri State and attended University of Missouri at Columbia, where he was awarded his Master of Arts degree. In 1964 this teacher came to Lindbergh and for the past 12 years has worked brilliantly and exuberantly in the Lindbergh History Department. Mr. Walls along with Mr. Gary Jackson teaches a team program in American History.

Besides his activities in the classroom, Mr. Walls has been the Student Council Sponsor for three years and a Junior Class Sponsor. Also, for the past three years he has been the sponsor of the Lindbergh students participating in the Close-Up Program in Washington, D.C. The Close-Up Program allows inquisitive juniors to see how the government works.

Due to his diligent efforts and numerous accomplishments for the History Department, the 1976 SPIRIT is dedicated to Mr. Stuart Walls.

SPIRIT OF '76

THE WHITE HOUSE

WASHINGTON

We now mark the beginning of our Third Century as an Independent Nation as well as the 200th Anniversary of the American Revolution. For two centuries our Nation has grown, changed and flourished. A diverse people, drawn from all corners of the earth, have joined together to fulfill the promise of democracy.

America's Bicentennial is rich in history and in the promise and potential of the years that lie ahead. It is about the events of our past, our achievements, our traditions, our diversity, our freedoms, our form of government and our continuing commitment to a better life for all Americans. The Bicentennial offers each of us the opportunity to join with our fellow citizens in honoring the past and preparing for the future in communities across the Nation. Thus, in joining together as races, nationalities, and individuals, we also retain and strengthen our traditions, background and personal freedom.

As we lay the cornerstone of America's Third Century, your very special part in this great national undertaking is most commendable.

Gerald R. Ford

WHAT A JUBILANT STAR SPANGLED NIGHT!

Topping the enthusiastic and exciting Homecoming Festivities, this year's Spirit Queen Dance, held in the Student Commons, was a tribute to our nation's 200th birthday. Spirits were high as couples danced to the music of Griffin on a truly star spangled night. The Queen, Lucy Golfin, and King, Mark Moran, were honored as the best demonstrators of the "spirit" of Lindbergh.

TOP LEFT, Paul Bauer and Pat Piskulich receive the 3rd place trophy for National Honor Society from Ms. Cole, and Gina James receives the 2nd place trophy for Orchestra, for their Homecoming floats. SECOND LEFT, the queen's court is in session. THIRD LEFT, the winning Letterman's — Cheerleader float. BOTTOM LEFT, Look Mom! A jack-in-the-box! No, it's the Pom Pon float. TOP RIGHT, Sue Horine and Ken Hutter dance to music provided by Griffin. BOTTOM RIGHT, relaxing between dances, dates share a laugh.

Wishing You Were Here

The 1975 Variety Show, "Wishing You Were Here," took the Lindbergh students on an exciting tour of America's most famous and funniest places. Our tour included such points of interest as Hawaii and its restless natives, and the foxy ladies in the "Pearls of the Harbor." The '75 show was under the direction of Mrs. Peppers and her assistant, Mr. Weiss.

A Carousel

Bob Kuban provided the brass for the 1976 Snow Queen Dance, where the Commons, gym, and cafeteria were decked in the atmosphere of a circus carousel! Crowned at the dance was Marie Currier, who was escorted by Tom McClard. Besides those pictured on court were Cathy Butler, Ann Dussold, Linda Frey, Kim Held, Karen Robben, and Cherie Westall who were presented before the excited crowd. Couples can remember doing the "bump" through the night at the dance sponsored by Student Council.

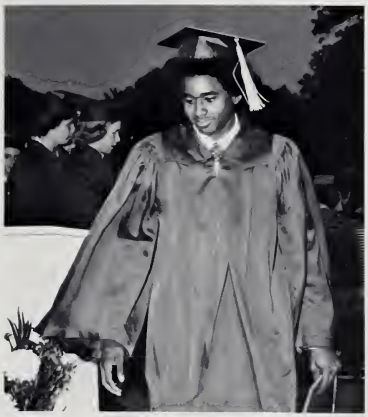
Graduation

of the Class of 1976 took place on June 3 when 950 Senior gods were presented with their diplomas. With a few tearful eyes and some feeling of happiness, the graduates were together as a class for the last time. Don Dripps gave the Class Challenge as Maria Currier followed with the Class Response and wished for their dreams to come true.



An All-Night Party

was given for the graduates by some of the Seniors' mothers from 11 o'clock June 3, to 5 A.M. June 4. Diploma-holders were entertained by a band, volleyball, basketball, swimming, a midnight buffet, and a 4 A.M. breakfast. Attendance prizes went to three graduates at the end of the party —that is, those that were still awake.

ORGANIZATIONS

SPIRIT OF '76

The 1975-76 SPIRIT staff spent many long hours in preparing the Bicentennial Edition. With the invaluable guidance of Miss Stout and the dedication and diligence of Laura Kienker, the staff managed to produce a volume worthy of presentation to the President and the 94th Congress. The innumerable hours after school and on weekends proved that teamwork is the only way to get the job done. This year's SPIRIT staff deserves much credit, especially the co-editors who worked very hard to make this yearbook extra-special. The staff can be proud of their efforts.

As I reflect over the years that I have served as head football coach at Lindbergh, my memories are flooded with faces of courageous young men who dared to distinguish themselves on the gridiron. Many of these football players went on to continue their football careers in colleges and universities, while others selected different interests in life. Many have written to tell me how grateful they have been for their experiences in football at Lindbergh. I won't forget the small redheaded Kim Colter (1968) who was to become captain of his football team at Rolla and the first All-American Scholastic athlete from his college. Who can forget Warren Daniel, the All-Metro giant in 1969? Three outstanding boys who loved and dedicated their college years to football are now coaching other boys. These young men include John Sheldon (1969) SWMU, Dave Waterkotte (1969) NEMU, and Russ Carlisle (1969) Murray State. Running backs who thrilled their fans with their spectacular feats in game after game included Chuck Boyd (1970), Frank Stobie (1973), and Greg Zoschak (1973). Outstanding quarterbacks over the years have included Bob DeGrand (1969), Don Rosemann (1971 championship team), Steve Sapp (1974), and Bill Hamlin, (1975). Every boy who participated, in some way contributed to the great memories of our football program.

Enthusiastic, persistent, far-reaching, and extraordinary are just a few of the many words that describe this year's Varsity Football Team. Coach Mach and Tri-captains Danny Lawson, Mark Moran, and Rich Franz encouraged the team, not only during practice, but throughout the game as well. After a disappointing start, plagued by injuries, the team, led by Quarterback Danny Lawson, completed the season with a respectable 4-4-1 record. Other standouts included Steve Mach, Dan Stippec, John Milla, Rick Klos, and Mike Kuhn. The exciting season came to its climax as the Lindbergh Flyers defeated the formerly, first-ranked Kirkwood Pioneers at the homecoming game. Throughout the season, the loyal fans, Symphonic Band, Pom-Pon Squad, and the cheerleaders added extra excitement as they supported and cheered their team on.

Cross Country Does It Again

Coach McCracken's Cross Country team reached the top again during the 1975 season by winning the State Title. Five Lindbergh runners placed in the top twenty. Kevin Bauer was Lindbergh's number one man taking ninth, and sophomore Kevin Winklehock took the fifth position finishing nineteenth. In between, Kurt Staufenbiel was twelfth, Eric Becker thirteenth, and Steve Roach was fifteenth. Preceding their victory at state, the team had a series of successful meets. It was the first time in the history of Lindbergh that all three divisions took first at the Hazelwood Invitational. The Sophomore and Junior Varsity teams were undefeated while the Freshmen only lost one meet. Looking to the future, it appears that Lindbergh will continue producing outstanding Cross Country teams.

Girls' Golf Finishes Undefeated

Girls' Golf, coached by Miss Young, had another fine season. They were undefeated which is remarkable considering this is only their second year as a team. The girls voted Senior Gail Schillinger as their most valuable player. Returning next year will be Sophomores Pannel and Bledsoe, and Junior Beth Spencer.

This year didn't seem to be the best year that the Boys' Basketball Team has ever seen, but it's been one of the most rewarding and enjoyable. Their misfortune was due to many unavoidable injuries, inconsistency, and, well, just fate. Although the year didn't get off to a fantastic start, things picked up towards the end of the year and had a happy ending! Coach Lorch said that it was one of the best groups he's ever worked with! The team's most valuable player was 6'6" Mark Forchee and the team captain was Ken Clements.

Track Takes 1st In District

In their second year in existence the Girls' Track Team lived up to the excellent record they held last year. The team was 1st in their district and 2nd in their league; they also had a perfect meet; and they had a perfect meet record. Mr. H. Pourchot in his first year as coach for the team was pleased with the efforts each girl put forth toward winning her event.

Team members Kathy Hohmeier, Kathy Engel, Debbie Summers, and Linda Wohlschlager were just a few of the members on this rapidly expanding team that conquered defeat at the meets.

The LHS Batmen displayed much ability and skill in their 1976 season. The highlight of the year was when the LHS Batmen overpowered Mehlville at the invitational tournament. Some of the steady and consistant hitters were Mark Moran, Sophomore Sundhausen, Senior Captain Kevin McClure, and Senior Center Fielder Rick Klos. The Flyers were fortunate to have consistant pitching by Mark Forchee, Steve Mach, and Mike Hyde. Coach Gately and Young gave support and encouragement to the team.

Boys' Golf Tees Off

The Boys' Golf proved once again that hard work and practice are necessary to win the various competitions that the members of the Boy's Golf entered. Under the direction of Coach Lorch, the team showed that they were an asset to the development of sports at Lindbergh. One of the outstanding players was Tom Williamson, who added an extra swing to the team's fine performances.

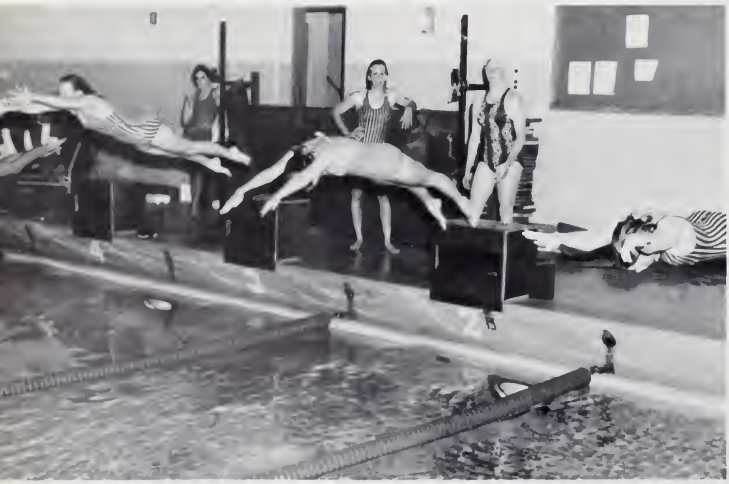
District			3rd
State			9th

The Girls' Varsity Swimming Team, along with the efforts of their director-/sponsor, Mrs. Carol A. Buckner, made a number of great achievements and accomplishments this year. The team made third place in the district this year, and nine of the girls went to the state meet. They were tied for fourth place in the league. The highlight of the entire year for the team was their thrilling victory over Ladue.



The LHS Pom-Pon Squad experienced one of their finest years ever during the 1975-76 season. Headed by Captain Cheryl Daman, Co-captain Terry Droste, and Secretary Jill Mabie, and squad exhibited many fine performances. The Pom-Pon Squad added an extra morale to the football and basketball teams to the tune of the colorful Symphonic Band. The squad also attended several clinics and the Affton and Cleveland competitions bringing back several trophies. The girls also helped plan the Turnabout Dance which was held in March. The Pom-Pon sponsors, Mrs. Cole and Mrs. Hale, kept the girls kicking high.

It makes little difference what the trade, business, or branch of learning, in mechanical labor, or intellectual effort, the educated man is always superior to the common laborer. One who is in the habit of applying his powers in the right way will carry system into any occupation, and it will help him as much to handle a rope as to write a poem.

If you cannot pay your debts without selling the house, sell it. If you have no umbrella in the rain, get wet. Does it matter? All things, your house and your umberlla included, have no validity outside your mind, and even your body will go in a few years, or perhaps tomorrow. All problems, even the twin illusions of life and death, are alike good fun, if so regarded. Was any man ever the happier for being unhappy about death, and did he live any longer? Is suffering made the less by tears about it? Or another's pain removed by your abundant gloom? Do what seems wise to be done, forget it and walk on. Even if you come to a precipice, why walk round it or back from it? Why not go over it? It is probably the shortest way there!

The

SPIRIT OF '76

Within the covers of this yearbook we have tried to produce a singularly distinct book among others that is an enduring personal memory of this bicentennial year. The 1976 SPIRIT attempted to record the pertinent events, fun, laughter, disappointments, and upsets of this year, and also reflect the past 200 years. Meeting deadlines, scrounging for pictures, selling the book in an allout campaign, and learning all too quickly that pleasing even some of the people is difficult, were only portions involved in making this yearbook.

AND BEYOND

"We will make many mistakes; we always have. We are in the perplexing period of change. We seem to be running in all directions at once — but we are running, and I believe that our history, our experience in America, has endowed us for a change that is coming. We have never sat still for long; we have never been content with a place, a building — or with ourselves."

— John Steinbeck

"For I believe that out of the whole body of our past, out of our differences, our quarrels, our many interests and directions, something has emerged that is itself unique in the world: America — complicated, paradoxical, bullheaded, shy, cruel, boisterous, unsparkly dear, and very beautiful."

— John Steinbeck
